

Dell 24 Touch Monitor P2418HT

Help boost your productivity with Dell's first 23.8-inch touch monitor
Unique articulating stand, anti-glare screen make for an effortless touch experience

The ultimate touch experience for business

Engage with your content easily and comfortably.

- Anti-glare touch panel reduces distracting reflection and fingerprints, improving viewing clarity.
- Unique articulating stand with extended tilt, plus height-adjustment and swivel capabilities lets you position the screen in the ideal position for touch navigation.
- Intuitive 10-point touch, compatible with Windows® 10, provides smoother navigation across the anti-glare surface.

Collaborate and enjoy the view

Outstanding usability and a comfortable viewing experience.

- Optimize eye comfort with the TUV-Certified flicker-free screen with Comfortview which minimizes blue light emissions.**
- Reduce desk clutter with a cable management system and integrated power supply.
- Enjoy excellent image quality thanks to Full HD resolution and a 8 million:1 dynamic contrast ratio.
- Experience clear fluid motion from fast 6ms (gray-to-gray) response time and consistent colors across a wide 178°/ 178° viewing angle.

Help maximize your productivity

High productivity is yours with features that help improve efficiency.

- Experience a more seamless view and workflow across multiple monitors with the P2418HT's ultrathin bezels.
- Get more done with Dell Display Manager — Easy Arrange helps you tile desktop applications to aid multitasking while Auto Mode lets you use custom preset color settings to save time.
- Work the way you like with flexible mounting options and extensive, convenient connectivity ports.

Experience superb reliability

Comes with Dell's high reliability promise.

- Enjoy peace of mind with Dell's Premium Panel Guarantee¹.
- Minimize downtime with 3 years Advanced Exchange Service².
- Enjoy high reliability from the #1 monitor brand worldwide for three consecutive years*.
